Dear Hal -

I wanted to thank you so much about introducing me to Bill Oh Hansen. My Mother and I met with him and she has retained him as her lawyer. He's very nice and seems to be a fine lawyer. Thanks again very much.

I went to the White House for my interview. She seemed very encouraging although there are other girls she has to interview as well. I'm being investigated at the moment and hope I will pass that. I guess I'll know in a few weeks. Will let you know.

Thanks again so much.

My best -
Cindy
